OBJECTIVE

I am a passionate Computer Science undergraduate with a strong interest in problem-solving and competitive programming. I've earned notable achievements in national-level coding contests, which have strengthened my skills in algorithms and efficient coding under pressure. Beyond competitive programming, I have a keen interest in software development. I have built and worked on many Projects in order to improve my skills. Eager to learn and grow, I am always looking for opportunities to take on new challenges, improve my skill set, and contribute to impactful tech solutions.

EDUCATION

- **KIET GROUP OF INSTITUTIONS, GHAZIABAD UP**   **SGPA -8.31/10**
  B.TECH in Computer Science   **Sep 2024 – May 2028**

WORK EXPERIENCE

- **Member at CPBYTE KIET**   **Oct 2024 - Mar 2024**
  Learned the basics of competitive programming and web development, enhancing my skills in C++ and Full Stack Development. Along with expanding my network to a large community with talented and sharp minds.
